

ABR1017 5/09

The label features a central diamond-shaped logo with a crown above the word "REX" in a bold, serif font. Below "REX" is the word "BRAND" in a smaller, sans-serif font. A red banner with white text curves across the bottom of the diamond, reading "100% WHEAT GERM OIL". The entire logo is set against a dark green background with radiating lines. In the top right corner of the label, there is a circular seal that says "TRUSTED FOR THE Original OVER 60 YEARS". Below the diamond logo, there are two horizontal orange bars. The first bar contains the text "Rich Source of Natural Vitamin E" on the left and "100% All Natural Unrefined" on the right. The second bar contains the text "NET WT 1 GALLON (3.785 L)" on the left and "FOR ALL ANIMALS" on the right.
